

Application No. 09/533,825

Attorney's Docket No. 032326-022

Page 1

Attachment to Amendment Filed December 2, 2001

**Marked-up Claims 13 and 14**

13. (Amended) The device according to claim 1 [wherein the support film comprises] further including a strap on the face of the film opposite the microcircuit to pull back at least one end of the interface in the vicinity of the microcircuit.

14. (Amended) The device according to claim 1 wherein the interface comprises turns of conductive material and the width of the turns around the microcircuit are thinner than elsewhere in such a way as to directly connect the microcircuit [directly on the] to ends of the interface with a small length of connecting wire.
